

 **B1 - B2**

Intermediate  
80 hours course

## Introduction to International Legal English

Introduction to International Legal English is an intermediate level course for law students or newly-qualified lawyers who need to use English in their legal work or studies. The course covers a variety of legal topics including company law, litigation and arbitration, criminal law and comparative law.

The course book uses authentic legal texts and case studies supplied by TransLegal, Europe's leading firm of lawyer-linguistics,, the course develops learners' understanding of the law while simultaneously consolidating their language skills. Featuring both academic and professional contexts, Introduction to International Legal English develops the four key skills of reading, writing, listening and speaking.

Introduction to International Legal English takes learners up to the point where they can start using global legal English and begin preparation for the Cambridge ILEC exam, the International Legal English Certificate (ILEC) is an Official Cambridge ESOL certificate.
