Let's Talk 1

Let's Talk 1 is the first level of a three level highly successful speaking and listening course for young adults and adults. The three level English course is designed to develop oral communication skills and build learner confidence.

Let's Talk level one has 16 four-page thematic units that are divided into two-page lessons, with each lesson encouraging students to express their feelings, ideas and opinions. Specifically in level one the course concentrates on frequent pair group work, opportunities to share activities and ideas and participate in group discussions.

The Let's Talk level one book has many vocabulary-building exercises, expansion sections to help fluency-building and communication tasks that help make learning English fun and practical. The lessons are flexible and adaptable to the student's everyday life. In addition the book provides a Self-study section that provides grammar, listening, and vocabulary practice.
